VINTAGE CONDITIONS

2018 Vintage started late and was a short burst. It concluded mid-April after six weeks of consecutive busy days and nights picking fruit. We had cold nights and mild days to prolong the ripening of fruit and maximise its quality this year. The berries slowly ripened in ideal conditions to make another great vintage.

WINEMAKING

Hand picked and wild fermented. Champagne clone picked for strawberry flavours and French clone picked for cherry. 10% whole bunch, open top fermenter. 100% French oak barrels used for maturation.
