#### FOOD MATCHES

---

Known for its lingering finish and vivid acidity this wine works really well with a wide range of foods, especially spicy Asian dishes.

#### VINTAGE CONDITIONS

---

2018 Vintage started late and was a short burst. It concluded mid-April after six weeks of consecutive busy days and nights picking fruit. We had cold nights and mild days to prolong the ripening of fruit and maximise its quality this year. The berries slowly ripened in ideal conditions to make another great vintage.

#### WINEMAKING

---

Handpicked at dawn and fermented in stainless steel tanks for freshness. This gives our Gruner Veltliner light aromas of orange blossom, white flowers and pear following through on the refined palate.
