VINTAGE CONDITIONS

2018 Vintage started late and was a short burst. It concluded mid-April after six weeks of consecutive busy days and nights picking fruit. We had cold nights and mild days to prolong the ripening of fruit and maximise its quality this year. The berries slowly ripened in ideal conditions to make another great vintage.

WINEMAKING

Handpicked from north-south rows of F4V6 Pinot Grigio clone for fresh, crisp fruit and a steely acid backbone. Stainless steel tank fermentation to provide a clean crisp lifted wine.
