VINTAGE CONDITIONS

2018 Vintage started late and was a short burst. It concluded mid-April after six weeks of consecutive busy days and nights picking fruit. We had cold nights and mild days to prolong the ripening of fruit and maximise its quality this year. The berries slowly ripened in ideal conditions to make another great vintage.

WINEMAKING

Harvested in the cool, early morning to maintain optimal fruit quality and aromas, the grapes were crushed and pressed immediately to extract the purest flavours. Separate batches were fermented in stainless steel tanks to maintain the natural fresh and lively characters of the fruit.
